TULE RIVER INDIAN TRIBE OF CALIFORNIA

340 N. Reservation Rd. Porterville, CA 93257

JOB DESCRIPTION

POSITION: Natural Resources Aide

WORKSITE: Tule River Indian Reservation
Porterville, CA 93257

GENERAL POSITION DESCRIPTION

The Natural Resources Aide is under the overall direction of the Natural Resource Director and immediate supervision of the natural resources' technician/supervisor and shall be willing to accept and or receive such assignments, but not limited to the following.

DUTIES AND RESPONSIBILITIES:

1. Implements tribal natural resources programs or projects relative to forestry & range management, resource protection, agricultural development, recreation development, fuels reduction, and maintenance or utilization of reservation resources.
2. Completes natural resource project work and ensure timely completion.
3. Identifies and reports potential problem areas in projects or on the reservation as they relate to the natural resources department's activities.
4. Assist in enforcing Tribal trespassing on campgrounds and the high country areas
5. Displays a willingness to use tools, equipment, supplies and materials that are or may become necessary in the performance of completing projects or other assignments.
6. Assists in enforcing Tribal woodcutting permit system and woodcutting policy.
7. Assists in enforcing Tribal grazing ordinances.
8. Must be willing to attend training and workshops, seminars to increase knowledge and awareness of job duties.
9. Maintains range ponds and springs to assure that both wildlife animals and livestock have adequate drinking water supply.
10. Any other duties that may be assigned by the NR director or supervisors.

QUALIFICATIONS:

1. Must have a keen awareness and understanding of the Reservation's natural resources
2. Must have the aptitude to gain the education and training skills required for the position of Natural Resources Aide.
3. Valid California Driver's License is preferred.
4. Must successfully complete a pre-employment drug & alcohol screen and background check.

KNOWLEDGE, SKILLS, AND ABILITIES:

1. Basic math skills.
2. Ability to abide by Departmental Policy and Procedures.

3. Ability to read and interpret documents such as safety rules, operating and maintenance instructions, and procedure manuals.
 4. Ability to effectively explain to community members and visitors the role of the Natural Resources Department in management of natural resources on the reservation.
 5. Ability to apply commons sense understanding in carrying out instructions furnished in written, oral, or diagram form.
 6. Ability to deal with problems involving several concrete variables in standardized situations.
 7. Ability to work well with others.
-

WORKING CONDITIONS:

Position requires prolonged standing, walking, reaching, twisting, turning, kneeling, bending, squatting and stooping in the performance of daily activities. Requires good manual dexterity (hand, hand with arm, two hands) and multi-limb coordination movement. Must be able to lift, push, pull or carry objects, use abdominal and lower back muscles to provide support over time without fatigue and to effectively jump, sprint or throw an object. Acute hearing is required. Regularly works near moving mechanical parts and in outside conditions that include inclement weather, heat and humidity, and exposure to dust and asphalt. Frequently must be able to lift up to 30 pounds, normally must be able to lift up to 50 pounds, and occasionally must be able to lift over 50 pounds. Noise level is generally loud. This job also may require the use of a vehicle, and an employee must be able to have those repetitive motions and coordination associated with operating a motor vehicle.
